Please contact Bournville Stewardship Services if you are unsure which plans are required.

Brief details of reasons for proposal

Any other relevant information (Materials, Specification, Manufacturer details etc.)

Please use this space for any hand sketches you wish to use in illustrating your proposed alteration.

Letter(s) from immediate neighbour(s)

Please tick the box if you are attaching letters in support of your application

I request that this application for the above extension / alteration be considered.

I understand that Bournville Stewardship Services will consult with neighbours as appropriate, will notify any Residents Group(s) at Lawley, and that my application and the results of my application may be published on the BVT website.

I also understand that I am responsible for obtaining any Local Authority consents from the Borough of Telford and Wrekin which may be required and that "Permitted Development Rights" have been removed.

I further understand that no works should be carried out before a decision has been issued.

Please send your completed form to John Haywood or Iwan James by email or post.
